Dear Friend,

In the words of William Shakespeare, "One touch of nature makes the whole world kin". Being a Friend of Hartman Reserve makes us kin to a special group. Your membership to the Friends of Hartman Reserve supports environmental education programs that reach thousands of individuals of all ages in the Cedar Valley. Your support of Hartman Reserve makes many things possible. Whether it's a group of school kids tapping trees for maple syrup, an adult group going on a canoe trip, or simply enjoying the work completed by the Hartman Youth Corp, you can take some of the credit. Your donation makes it all possible.

Please consider becoming a member of the Friends of Hartman Reserve. Without good friends like you, we would not be as successful. Your membership donation provides critical support for the educational programs of Hartman Reserve Nature Center. Each year, the Friends of Hartman Reserve work to support a shared mission to understand our environment through education, recreation and community involvement and to the stewardship of a unique natural area.

I hope that you will participate in programs and events throughout the year. For a complete list of activities, please visit [blackhawkcountyparks.com](http://blackhawkcountyparks.com). If you would like to help with these activities or assist in managing our natural resources, we would welcome your service. To learn more about volunteer opportunities, please call (319) 277-2187, email [hartmanreserve@co.black-hawk.ia.us](mailto:hartmanreserve@co.black-hawk.ia.us), or visit [www.hartmanreserve.org](http://www.hartmanreserve.org).

Your investment will make a difference in our community. On behalf of the staff, board of directors and program participants, I extend our sincere appreciation for your consideration to support the Friends of Hartman Reserve in 2012.

Sincerely,

Paula Goetz  
Friends of Hartman Reserve Board President
